THE LINDE GROUP

Linde

*America's foremost Industrial Gas and
Welding Supply Distributor Organization*

A major producer/supplier of bulk Oxygen, Nitrogen, Argon, Helium, Hydrogen, Carbon Dioxide, Medical Gases and Compressed Industrial Gases, Special Gases and Acetylene.

GEOGRAPHICAL DIRECTORY OF AUTHORIZED DISTRIBUTORS

There is a Linde Distributor ready to professionally service all of your industrial, medical and special gas needs, in addition to a wide range of affiliated welding equipment.

The authorized Linde Distributor is part of a nationwide network of dedicated distributors who have been carefully selected and trained in the latest applications and products. Each distributor has the capability, technical knowledge and resources needed to solve your problems on site and on time. In addition, our staff of Distributor Sales Managers can be contacted for further assistance. Their contact information by area can be found in the back of this directory.

Linde takes great pride in the quality of its Distributor organization.
