

Supply Capabilities For Mining & Metals

When it comes to your industrial gas needs, Linde is a leading worldwide integrated supplier for on-site gas supply, bulk gas supply, packaged gases, pipeline services, wear-resistant coatings, and welding products. Our customers include many major mining companies in North and South America, giving us the knowledge and experience to provide you with products, services and productivity improvements customized to your specific needs.

Industrial Gas Applications

- Coal Mine Inerting
- Nitrogen for Flotation
- Oxygen for Leaching and Roasting
- CO₂ for Leaching, pH Control and Precipitation
- Hydrogen for Reduction

Industrial Gases

- Pipeline/On-Site Gas Supply
- Bulk Gas Supply
- Technology Leadership in Oxygen, Oxy-Fuel, Inert Gas and Hydrogen Systems

Services

- Tubing and Pipeline Cleaning
- Mobile Industrial Gas Services
- Leak Detection

Distribution

- Cylinder Management and Inventory Control
- Productivity Savings for Welding, Cutting and Laser Applications
- Gas and Hard Goods Supply
